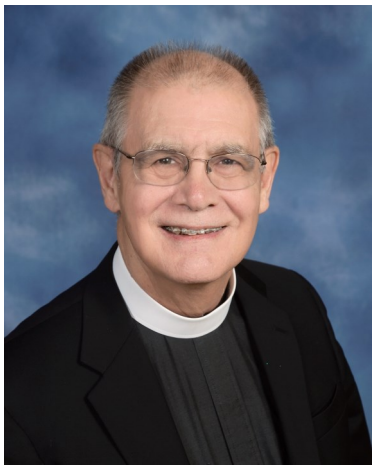
THE WHEEL

St. Catherine of Alexandria Episcopal Church

January 2020



Dear People of St. Catherine's,

An army chaplain once drove twenty miles to speak at a nearby church. Although his family went with him, he forgot to tell his six-year-old daughter where they were headed. After a few miles on the road, she called from the back seat, "Dad, when we get to where we're going, where will we be?"

That's a life-sized question for the beginning of this new year. We have come through 2019, a year of significant change for this parish. We started the year with an appeal from the senior warden for us to stretch our giving a little further to support our budget. Halfway through this year, we said farewell to Mother Susan Latimer, who had served faithfully as rector for almost 8 years. We entered a time of uncertainty in the summer, and finally, in September, I began to serve as your interim rector.

All during the year we faced new challenges. As the summer began, we scaled back our Sunday morning breakfasts, only serving them every other Sunday. Long time parishioners died or moved away. We welcomed new people to our community, bringing new variety and joy to our worship and fellowship. In the Fall we celebrated a Ministries Fair lifting up all the activities in this parish, rejoicing that so many found ways and places to serve and find spiritual sustenance. We even found that our desire for Sunday breakfast was still high!: and with many more teams recruited, we returned to every Sunday breakfast. We baptized new members and welcomed our community to the lovely church across from the golf course.

On the last Sunday of this month, we will have only one Eucharist, at 9 a.m. It is a chance to worship with parishioners you may seldom see. After the service, we will gather in the parish hall for our annual parish meeting. The narrow purpose of this meeting is to elect new members of the vestry and delegates to our diocesan convention. But let this year be a celebration of the Year of Grace we are traveling through. We will receive reports from commissions, committees, groups and leadership of St. Catherine's. We will celebrate the abundance and goodness of God in blessing us for another year.

At the annual meeting your senior warden and I will outline for you the actual nuts and bolts of the search process for your next rector. Shortly after the meeting, the actual work begins on this process. It will take a while, so be patient. You will all have opportunity to "weigh in", so to speak, to express your thoughts, hopes and aspirations for St. Catherine's. All of your collective hopes and dreams, anxieties and worries, desires and commitments will be collected and the data will be given to those persons writing the parish profile. When all that is done, the actual search committee will begin receiving names, sorting through resumes, interviewing priests, and finally making a report to the vestry. The vestry will, then, issue a call to a new rector. If that person accepts and the bishop approves, then you will have a new rector!

See, it's that simple. I promise that I will be here all the way until your new rector arrives, God willing,

sometime during 2020. It is my great joy to be with you, to keep us going for now. I feel strengthened by your great love for this parish. I find great hope among us for the future. If you do get discouraged or impatient, just remember the great African American song:

We've come this far by faith
Leaning on the Lord.
Trusting in his Holy Word
He never failed me yet.
Oh' can't turn around
We've come this far by faith.

So, come with me, sweet people of St. Catherine's. We've come this far by faith. God will be with us the rest of the way.

With hope and joy in the new year,

Allen W. Farabee
Interim Rector

THE BISHOP IS COMING, THE BISHOP IS COMING!

On February 2nd Bishop Barry Howe, assisting bishop in our diocese, will make his annual visit to St. Catherine's Church. It is always a joy to welcome our bishop. It is my special joy to welcome Bishop Howe. When I first became Dean of St. Paul's Cathedral in Buffalo, Bishop Howe was serving as Dean of St. Peter's Cathedral in St. Petersburg. He was one of the first deans to welcome me to the company of deans. Shortly after that he was elected bishop of Western Missouri. So, it is a joy to have him with us on February 2nd.

Customarily, when the bishop visits, he administers the sacramental rites of baptism and confirmation. This year we do not have young candidates for confirmations. Those young people who are with us are just beginning their preparation and will be presented in another year. But if you are an adult and wish to be confirmed by the bishop, please come to a meeting with me, after the 10:00 AM Eucharist on January 19th. If you have been worshipping with us and wish to become a member of St. Catherine's please come to the meeting. If you were baptized as an infant but never confirmed in any church, please come to the meeting. If you were confirmed in another church (Methodist, Lutheran, etc.) please come to the meeting. If you are just curious, please join us.

Some of you have already spoken to me. But if you haven't yet, please join us.

Allen W. Farabee
Interim Rector

Notes from the Senior Warden

A blessed Christmas and a Happy New Year to all!

Our "Year of Grace" continues! Fr. Allen will remain with us until we call our next Rector, the person God has already called to be with us to help us bear witness to our faith.

The "Search Process" continues as well. The Website subcommittee was formed and its members, led by chair, Brandon Devoll have met several times, and continue to work to make our website more up to date and representative of who we are. The website will also serve as a landing page for all application materials associated with the search, and we're fine tuning its use as a more effective communication tool. Members look forward to an upcoming visit with the Diocesan Director of Communication, Garland Pollard who will share his insight and wisdom. I encourage you all to send in your parish pictures, and to share your thoughts with Brandon or other subcommittee members so we can continue to make our website inviting and interesting to all.

The next step in our "Search Process" will be the formation of the "Clergy Compensation Subcommittee," to include our treasurer, Terry Bechtel, myself, *ex officio*, and a few others. We will begin to develop a compensation package that is sustainable within the existing budget and competitive with the norms of the church. Get your pledges in if you have not done so already!

After the Annual Meeting on January 26th, the Self-Study Subcommittee will be formed. The main task of this subcommittee is to create a congregation-wide survey to solicit input, feedback and participation from the entire congregation. Anyone can, and all should participate. This will be your chance to provide input. Who are we? What is our purpose? What is important to us as people of God in this community? What are our dreams for the future? What are the leadership, pastoral care, preaching, teaching and other qualities most important to us in our next Rector? Members of the subcommittee will develop, and distribute a survey, tabulate responses, and will share with and present their results to the entire congregation before we continue with the next step in the "Search Process," which will be to write our "Parish Profile." Applications will be available to parishioners who feel called to serve on these two subcommittees. Please think about the unique qualities you may have to bring to these subcommittees, and pray about how you might be called to share your gifts.

Christmas ends and Epiphany begins on January 6th. The Epiphany celebrates joy and wonder. Christ is with us! "The Feast of Three Kings." Our Christmas joy is reignited as we celebrate the visit of these wise men from the east following a star, and the One they adore and will adorn with gifts befitting a newborn king. May God's love be made manifest to you, and to all people everywhere.

AROUND ST. CATHERINE'S

Notes from the Treasurer

In this time of change and transition at St. Catherine of Alexandria Episcopal Church it is a good time to be made aware and reflect on the financial impact of all this change on our parish. The Vestry thought it a good idea to keep the congregation up to date on the current status of finances of our parish and the potential impact of the rector search process might have moving forward.

As the year 2019 closes, the final financial numbers for our parish are not yet available. Please plan to attend our parish annual meeting on Sunday January 26 after the 9:00 am service to receive your annual report. The year end financial statements for St. Catherine's as well as a description of all the wonderful ministries our parish was involved in 2019 are described in the annual report which is available at the meeting. Please plan to attend.

What we currently know about our year ending financial situation for the year 2019 is that our total expenses were below budget. We also know that our total income is also below budget, due to the total dollars pledged for 2019 short of the budgeted amount. This is primarily due to parishioners who left our parish during the year for a multitude of reasons.

Many parishioners have been very generous in making their financial pledge for 2020. If you have not yet made your pledge, I would urge you to do so now. Your pledge is your commitment to return to the Lord through our ministries at St. Catherine of Alexandria Episcopal Church a portion of the blessings He has bestowed upon you. You can turn your pledge card in the collection plate each week or return it to the office. If you have misplaced your pledge card, extras are available in the Narthex at the church.

The Finance Committee has almost completed the 2020 budget. It is anticipated the Vestry will approve the 2020 budget at the January meeting. Not knowing exactly when our parish might call a new rector makes detailed planning a little more difficult but the committee and your Vestry will make our best effort to establish a solid plan moving forward for 2020.

The most important thing we as a parish can do financially moving forward is to be sure to pay our pledge on time and keep informed and aware of what is happening in our parish. This is both a nervous time and an exciting time for each of us and it is important that we remain as one body in Christ.

CALENDAR OF ACTIVITIES

A calendar of activities going on around the church can be found in the Parish Hall.

An up-to-date calendar is maintained on our Website, www.stcathtt.org, a link to the Calendar located on the home page in the top right corner.

WORSHIP IN EPIPHANY

After the joys of Christmas, comes a season of light in the Christian year. During the season of Epiphany, we celebrate the light of God that shines on all the world. It is a season of mission and reaching out. In keeping with our practice of trying some new things during this interim year, during this Epiphany season we will use a few new prayers, songs, and other materials. At the beginning of the liturgy, in place of the Gloria, we will sing the *The Third Song of Isaiah* (Prayer Book, p. 87). This is a song from the book of Isaiah, especially appropriate for Epiphany ("Arise, shine, for your light has come!") We will sing it to an Anglican chant based on the hymn tune "A Mighty Fortress is our God."

About a dozen years ago, our General Convention authorized some supplemental texts for our use. From these supplemental texts, we will use, in Epiphany season, an alternative form for the confession of sin, an alternative Great Thanksgiving (the prayer over the bread and wine), and an alternative post communion prayer.

Finally, actually, first: on January 12 we will celebrate the sacrament of baptism. It is the Feast of the Baptism of Jesus and we will baptize Etta Marie Daly on that day!

SWIM-A-THON EPISCOPAL RELIEF DONATION

Fr. Allen on Saturday December 10th with support from Tom Dixon, a parishioner, swam 73+ lengths of the pool at LA Fitness. He invited us to pledge in support of his swim. **The Swim-A-Thon raised $2,157 for the Episcopal Relief and Development** and will go to support their programs to provide clean water around the world.
