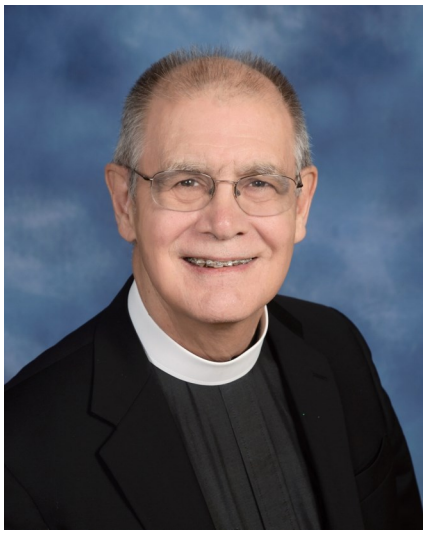
THE WHEEL

News from St. Catherine of Alexandria Episcopal Church

October 2019

Dear People of St. Catherine's,



By the time you receive this letter I will have been officially welcomed as your interim rector and we will have celebrated the great Ministries Fair. We are greeting new people at Sunday worship each Sunday. I have begun working with the vestry to guide us through this year of grace. And it is now time for the "serious" work to begin.

During October you will receive several letters – one from the wardens, vestry and me, one from me alone, and one containing a pledge card and instructions for the ingathering of our pledges on November 10. After 45 years as a priest, I have tried almost every scheme, plan, gimmick, program and project to call churches to be good stewards. Some programs have worked; some have not. There are things beyond our control. But as we move into October (alas, where are the red and yellow leaves!) I want to invite you to consider your life, our life together and the promise of grace that lifts us to joy we cannot make on our own.

If you know me, you will think this is out of character, but I have been watching the PBS documentary series on country music developed by Ken Burns. It is mesmerizing, in part because some of my ancestors looked and talked like some of the pioneers of country music. My musical tastes generally run to opera and symphonies – with a detour through jazz and folk music. But there is no denying the power of country music to touch hearts, stir passions and just be beautiful music.

Many years ago the Carter family sang a song, "*Let the Circle be unbroken*."

Will the circle be unbroken
By and by, Lord, by and by
There's a better home a-waiting
In the sky, Lord, by and by.

AROUND ST. CATHERINE'S

It became an iconic song. Over the years, country music styles came and went – hillbilly music, bluegrass, western country, country swing, Nashville sound, Bakersfield sound, etc. Sometimes performers of one style considered others with distaste. But, in the early 1970's when our whole nation was rent asunder by the Vietnam war, culture wars, and political fighting, the Nitty Gritty Dirt Band came to Nashville, looking like hippies, with their own bluegrass-like sound. They managed to recruit Earl Skruggs and other stalwarts to record with them. They called their album after its best song: *Let the circle be unbroken.* It became a legendary album and a transformative moment in the history of country music.

You don't have to believe the cosmology of the song to be touched by its vision of reconciliation and wholeness. We are all included in the great circle that we hope will be unbroken. It extends back in time and stretches forward, always enlarging to include us all. As we undertake the hard work of stewardship during October, let our circle be unbroken. Remember those in our circle who went before us, planting this church, gathering in prayer and faith, building the beautiful building, reaching out to the community around them. Let the circle be unbroken. Remember those who will follow us. See them believing that God is present in this place and reaching out to serve the community in God's name. Let the circle be unbroken.

Yesterday I was looking at a photograph of my granddaughter Claire, as a baby sitting in my mother's lap. Clearly the circle is unbroken and I hope will stay unbroken. In this year of grace at St. Catherine's let us sing the glory of the circle of God's grace and life.

Faithfully Yours,
Allen W. Farabee

Notes from the Senior Warden

Almighty God, giver of every good gift: Look graciously on your Church, and so guide the minds of those who shall choose a rector for this parish that we may receive a faithful pastor, who will care for your people and equip us for our ministries; through Jesus Christ our Lord. Amen. **The Book of Common Prayer**, p. 818.

The Feast of St. Michael was a splendid Sunday at St. Catherine of Alexandria Episcopal Church!

We were honored to have had with us The Rt. Rev. J. Michael Garrison, Assisting Bishop in our Diocese of Southwest Florida, and his lovely wife, Carol. Bishop Garrison visited our parish to lead the "Welcoming an Interim Rector" liturgy used in the installation of **The Rev. Allen W. Farabee** as our **Interim Rector!**

Last month in my **Wheel article,** I shared that an **Interim Minister** is a skilled, trained interim priest who would be the **"Rector in the Interim,"** with the rights and responsibilities normally accorded to the Rector with the exception of tenure. From the manual, **"The Search Process,"** provided to us by The Rev'd Canon Richard Norman, Canon to the Ordinary, and our Diocesan Transition Officer, "…*the interim rector is trained to facilitate the developmental process of an interim period, to assist a parish to evaluate its mission and ministry, to make needed changes in parish administration or program, and to help parish prepare for the arrival of a new rector.* Our journey continues.

After Fr. Allen's installation this past Sunday, in celebration, and in honor of our beginning "A Year of Grace," we had a fantastic Ministries Fair! **Come Ye, Come Ye, Come to the Fair!** There were at least 12 round breakfast tables set up in the Parish Hall, "dazzling exhibits of amazing ministries" here at St. Catherine's. Each table had the friendly face of someone who led, attended, or otherwise received joy from the ministry represented to talk to anyone who might be interested, or who might even just have questions. There were also nice treats at each table, from brownies and chocolates to donuts and cookies! The Brother/Sisterhood provided coffee, tea, and "breakfast on a stick." I would like to thank them, and everyone who participated in the Fair. A special thank you to those on the Parish Life Commission, the Building & Grounds Committee, and the Jr. Warden, who facilitated and coordinated, who set up tables and took them

down, and who always seemed to know where everything was! There was so much energy and excitement in witness of "the abundance of God's grace!

If you didn't already, make sure you pick up *your* copy of the wonderful booklet, *A Year of Grace / Life & Ministry, 2019 / 2020*. Copies are on a table in the Parish Hall. Thank you to Fr. Allen who spearheaded this effort, to all who contributed, to Diana, and to all who provided extra help putting the booklets together and labeling them. In the introduction, Fr. Allen says that this booklet was prepared "to lay before us the many ways in which we may be touched by God's grace." He invites us "to find those times and places that call" us, to "Take on a new activity…Join with new friends. Invite others to come journey with us." He concludes, "And let this Year of Grace nourish us so that when we call a new rector, he or she will find us lively and healthy and eager to bear witness to our faith." Amen.

I am confident that by the grace of God, and with the leadership of our new Interim Rector, The Rev. Allen W. Farabee, that we will call the Rector God has already chosen to be with us.

In faith,

Manon Alewynse, Senior Warden, (813) 507-1334; alewynse@verizon.net

Notes from the Junior Warden

Lots of things happening around the church and I hope you have been able to see all of the changes.

The exterior of the church buildings have been cleaned and painted. The roof has gone from dark and dingy to a really bright beige. The walls of the church are now sealed and painted and are protected for years to come. The west side of the building has had the stucco area under the stained glass window repaired and painted a bright white and really makes our beautiful window stand out.

What a successful Work Day we had on September 21st. The people that came to help were so great and many thanks to them: Don Clark, Dominic Valente, Wilma Wiggins, Marlene Williams, John Grupposo, Manon Alewynse, Heather and Marc Vanderveen, Tiffany Grant, Andy Walsh, Big John, and Paul Johnson. (See pictures on the next page.)

It is also important to mention all of the people who do so much behind the scenes everyday. There are so many things that are accomplished by you and in a quiet manor. Thanks to you again.

Notes from the Treasurer

In this time of change and transition at St. Catherine of Alexandria Episcopal Church it is a good time to be made aware and reflect on the financial impact of all this change on our parish. The Vestry thought it a good idea to keep the congregation up to date on the current status of finances of our parish and the potential impact of the rector search process might have moving forward.

With the calling of Father Allen Farabee as our Interim Rector, the financial budget can now be solidified and finalized for 2019. With the reduced expenses, the overall financial position of our parish will continue to be positive.

The Finance Committee will soon begin to work on the 2020 budget. If your commission or committee foresees or plans for projects or ministries which require more financial requirements than past years, please make it known to the finance committee so we can make appropriate plans for 2020.

The most important thing we as a parish can do financially moving forward is to be sure to pay our pledge on time and keep informed and aware of what is happening in our parish. This is both a nervous time and an exciting time for each of us and it is important that we remain as one body in Christ.

Notes from the Stewardship Committee

If we believe that all that we possess comes to us as a gift from God, that would include the family that He has given us to worship with together – the family and place that we call St. Catherine's Church.

How then do we take care of this gift that He has given us? To be a witness to the world, to the community around us and to each other, it requires our time, our talents and our treasure. It is a live and limitless gift that can grow and grow, welcoming more members every day and every year. God has given us the opportunity to show others how much this gift means to us and how much we want it to grow, so that all are welcome to experience God's love as He has shown it to us.

We are limited in this quest only by how much we return to God of the gifts that He has given us. We can be a light to the world through the active sharing of our time and our talents and through the proportional giving of our treasure that He has so freely given us.

I am reminded of the words of the Praise hymn, "Freely, freely you have received, freely, freely give. Go in my name and because you believe, others will know that I live.

The pledging of our time, talents and treasure will be a light to shut out the darkness and to show how much this gift really means to us.

We have something wonderful. Let's share it.

A Holy Journey: Living the Christian Life

Every Sunday at 9 a.m. we will gather in the St. Christopher's room for coffee and conversation. We believe that adult people can talk together about important matters and grow in grace and understanding and faith.

This Fall and Winter we will explore what it means to be a Christian. We will explore the Bible, the liturgy, daily living, and the challenges to Christians. Bishop Barry Howe will make his visitation to St. Catherine's on February 2, 2020. Our coffee conversations will not only give us lively conversation but will prepare you to be received by the bishop or to reaffirm your baptism.

We welcome you. Come and join the conversation.
