News from St. Catherine's Episcopal Church

**SEPTEMBER 2017**

The count down!

Dear People of St. Catherine's,

I am counting down the days to the end of my radiation treatments (a couple more weeks - 33 in total) and to my return to you on September 24th! It has been a long time. My priority will be to re-connect with you, and get to know the new people who have joined the community since January of 2017. This will take a while. I look forward to sitting down with you, and to hearing what God has been doing in your lives since we were together.

I know that it will be an opportunity for growth for all of us for me to return and join you again in ministry as your Rector. When I began my medical disability leave in January, I probably knew the parish better than any other one person, having been Rector for just over 5 years. Now I realize that there is much for me to catch up on, and that this will also take a while. People have stepped up into leadership positions and our Sr. Warden, Terry Bechtel, has had to do the administrative work that usually falls to the Rector. Our parish administrator, Brenda Menendez, has also had to do more than usual in my absence. I am deeply grateful to both of them and to all who have taken on more responsibilities. I remain deeply grateful to Fr. Allen+ who was with you the first four months of my treatment. I didn't worry a bit about the parish, knowing that Fr. Allen+ was doing the liturgies and pastoral care, and that Terry Bechtel was the Sr. Warden.

I know that some things have changed, some people have died or moved on, and many new people have joined the community! I look forward to re-engaging with the parish as it is currently, not as it was when I began my cancer treatment.

I also have been changed, deeply, by the journey through stage 3 cancer treatment. Not only is my appearance changed, but I have experienced the past 8 months as something completely different from anything in my life before.

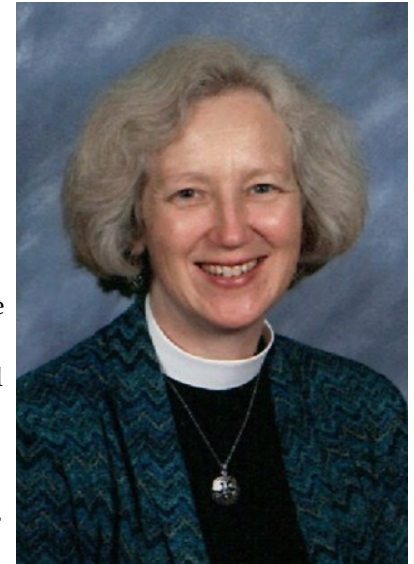

Having a life-threatening illness, and extensive treatment for the same, can help put everything else in perspective. My life was slowed down, pared down to the daily necessities for living. For the first time in my life I was unable to predict how I was going to be, and what I was going to be able to do, from one moment to another. It will be a while until my energy returns to what it was before my illness. I will have to be patient with that, and I ask your patience as well.

Through all of this I have felt God's presence, and support, in many ways. With the many challenges there have been many blessings. Thank you for all the wonderful cards and especially for the prayers which have held me up through this long time of chemo, surgery, and radiation.

So – I am changed, you are changed, and we are about to join together again in ministry in Christ's name and to the glory of God. I trust that God will show us the way forward, and I eagerly await our reunion on September 24th. I am deeply grateful to God that I am alive and well and counting down the days to September 24th.

In Christ,

Mother Susan+

## A Note from Your Senior Warden

St. Catherine of Alexandria Mission Statement:

*“To nurture each other in the knowledge and love of God*

*– Father, Son and Holy Spirit –*

*and to share the Good News with all.*

Praise the Lord, Mother Susan will return to us this month of September. If things go according to plan, she will return to our service on September 24<sup>th</sup>. As you already know, *we will only have one service that weekend and it will be at 10am on Sunday, September 24*. There are three reasons for having only one service:

- 1) The entire congregation can come together for one worship service to celebrate,
- 2) Since it is her first weekend back, Mother Susan will only need to conduct one service, and
- 3) We plan to have a celebration of Mother Susan’s return after the service on Sept. 24, to include a breakfast, a celebration cake and mimosas for all.

We are beginning a new school year. A lot of activity in our parish. We have seen nineteen (19) students come forward to have their back to school backpacks blessed by Father Rudacille. We have seen the resumption of our Sunday School program led by our Education Commission and Education Director, Rachel Rubottom. Our J2A program for our oldest children is in full swing, planning and learning for their futures, including a pilgrimage in 2018. The Service Commission adopted – and the congregation supported the adoption of – Temple Terrace Elementary School for school supplies and a backpack program to support less fortunate students. We have painted the Parish Hall, with plans for other building and grounds improvements in the near future. Our wonderful Choir returned to our 10am service. Our supply priests have been very faithful and responsive to the pastoral care and needs of our congregation. These are just a few of the indicators that our parish is vibrant and responsive to the spiritual needs of our members and our community. We await the return of our rector this month with a feeling of great relief, strength, and anticipation.

We will begin in the month of October with our Stewardship Drive for 2018. Ham Evans is chairing the Committee this year. The theme for this year’s Stewardship Drive is *“Journey to Generosity”*. Ham has written a kick-off article for this Wheel edition, which you can find elsewhere in this newsletter. I simply ask that you prayerfully consider your contribution to the Lord’s service through St. Catherine of Alexandria Episcopal Church as we begin this journey over the next couple of months. It is only through your generosity and commitment that we can continue our ministries to our congregation and our community.

We have missed Mother Susan greatly and eagerly await her return. I also know she is as anxious to return as we are to have her back in our presence. We must remember that she has been through the treatment of a terrible disease. She has endured debilitating chemotherapy treatments, extensive surgery, and grueling radiation treatments. Upon her return, she will be a different person. Each of us will be a little different also.

**Let us each consider Paul’s letter to the Romans 12:4-5:**

***“For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to the others.”***

Terry Bechtel  
Senior Warden

## SERVICE COMMISSION

The members of the Service Commission want to thank all of you who contributed school supplies for Temple Terrace Elementary. The administrators who were present at the school when we delivered the supplies were delighted and expressed their deep appreciation to us.

Our next project involves the school's Backpack Program. Approximately 20 children at the school do not have sufficient food on the weekends. The school social worker buys food for these children, puts the food in backpacks every Friday, and sends the filled backpacks home with the children. If necessary, the social worker teaches the children how to use a microwave to heat the food.

We are asking our parishioners to donate \$5-\$10 each month of the school year to help finance the Backpack Program. It takes approximately \$1,000/school year to support this program, and we think it is extremely important. Please place money or a check – separate from your tithe check - in an envelope marked "Backpack Program" in the collection plate once a month. Alternatively, you can make a one-time contribution. We will make sure the funds get to the school.

## STEWARDSHIP COMMITTEE

### Journey to Generosity

It is that time of year again – Stewardship Season! Time for us to rethink our contributions to St Catherine's in terms of our time, talent and treasure. Needless to say, God's gifts to us are not seasonal. Also time to remember that God's gifts to us are temporary – we are nothing more than caretakers of these gifts.

Stewardship is a spiritual expression, not a financial transaction when it comes to returning a portion of our treasure to God. The mission of St Catherine's is to nurture each other in the knowledge and love of God – Father, Son and Holy Spirit and to share the Good News with all. We cannot accomplish this mission without a portion of **your** time, talent and treasure.

Donate your **full and complete** time, talent and treasure to St Catherine's? Certainly not!! How much is enough? What should I be doing? Please keep in mind that no gift is too small and that the money you have is not yours anyway – it is provided by God! Sitting with a newcomer at breakfast to provide a warm welcome to St Catherine's is one way you can return God's gifts. While the Biblical goal pertaining to treasure is a tithe or 10% of your income, not everyone is in a position to do that. What is important is that you make a pledge to God to in recognition of God's gifts to you. While placing money in the offering plate is certainly appreciated and contributing to the mission of the Church, a pledge is a constant reminder of God's gifts to you.

There is a belief in the Episcopal Church that 20% of the congregation does 100% of the work in the Parish. That percentage is much higher at St Catherine's, but it can be even larger. This year – participate in a work day, make a pledge, volunteer to help with Christian education, greet a newcomer, join one of our ministries – become a participant, not a bench warmer.

You can be assured that your Vestry and the staff of St Catherine's are faithful and diligent stewards of your financial contributions to St Catherine's. An audit of the Church's finances is performed each year in accordance with guidelines disseminated by the Diocese.

## HOPE COMMISSION

### Understanding HOPE

(Hillsborough Organization for Progress and Equality)

Pastor Bernice, First United Church of Tampa, put HOPE in perspective as she wrote in the August Wheel...

*"It was one of those sweet moments...not only were they making permanent the pilot program for juvenile civil citation misdemeanor possession, but were expanding it to include all misdemeanors except for thirteen."*

*"Afterwards, as I spoke to Judge Ficarotta and Ms. Hold and Mr. Warren, each went out of their way to thank HOPE for the hard work and each remarked that without HOPE this probably wouldn't have happened."*

Why did this three year effort regarding juvenile civil citation culminate in success?

#### ...Our ACTIONS!

HOPE's largest event in the year is our **Nehemiah Action**, where we bring together over 1,000 people to stand face-to face with our decision makers. In the presence of our people we ask them to commit to make necessary policy changes that will positively impact the issues impacting our families. The Nehemiah Action is named after [the Prophet Nehemiah who in a large assembly stood before the nobles and officials of his community and challenged them to stop charging the unjust and unfair interests on loans given to the people](#) — and gained a promise from the nobles to stop.

Today, HOPE carries out the same work of holding our nobles and decision makers accountable through our annual Nehemiah Action.

I believe in HOPE! Our community has reaped many benefits.

I like to think that my involvement in some way fulfills my baptismal vows. I now quote from the Book of Common Prayer. The final lines of The Baptismal Covenant are as follows:

*Celebrant:* Will you strive for justice and peace among all people, and respect the dignity of every human being?

*People:* I will, with God's help.
